Terms & Conditions

Minimum rental amount

The minimum amount charged for a rental is 50€. If your chosen products don't reach that limit we will supplement it to this amount.

Service fee

Additionally to every order we add a service fee of 25€. For processing, packing, cleaning, communication, etc.

Rental time

All prices are referring to a rental time of 48 hours.

You can extend the rental period for a surcharge of 50% for at least 24 hours or more depending on the day and time of year.

Delivery and pick-up

If possible we can arrange a delivery for your order but a fee will be added for that depending on time and distance.

Packaging

All items are packaged carefully and they need to be returned in the same way.

Damaged items

If any items are missing or broken upon return and are lost and can not be returned or fixed we charge for the item. The amount charged is 8x the rental price of the item.

Cleaning

All items need to be returned clean and dry. They need to be handwashed with a soft sponge (which we will supply) and metal objects need to be dried with a micro fiber towel (also supplied).

If items are returned dirty we charge 50% of the original rental fee for cleaning.

Cancellation policy

We know how it is. Sometimes things don't work out. You can cancel free of charge for up to 48 hours before the pick-up day.

If you cancel later than 48 hours before the event, 50% of the receipt is charged.

Taxes

These prices all exclude taxes. No taxes will be added because I am a small business and therefore am excluded from tax payments.
